

[the competition]

On **August 3rd, 2013**
in the **Orsiera Rocciavré park** (Fenestrelle)
there will be a **competition of Precision Orienteering**
organized by the **ASD Gsport**,
valid as the fifth round of the TrailO Italian Cup 2013.

[meeting point]

The meeting point is at the Pracatinat Center, in the locality **Pra' Catinat**, at **12.00**.

[classes]

The competition includes the following classes: **Open Elite** (high difficulty), **Paralympic** (high difficulty), **Open A** (medium difficulty), **Beginners** (low difficulty).
Who simply wants to try the Precision Orienteering can deal with a **non-competitive course**.
Basic instructions will be given before the start.

[start]

The first start will be at **13.00** (WMOG athletes may ask for a late start).

[map]

The competition map is the enlargement at 1:5000 scale of Pra' Catinat map n. 739 (scale 1:10000), realized in 2010 and updated in 2011 (ISOM symbology). The symbol size is the same of that of 1:10000. The contour interval is 5 meters.

[punching]

Competitors use a personal punch. If you have no punch, you can borrow it at the meeting point.

[technical committee]

Event director: **Marina Beltramo**
Course setter: **Antonino Lo Grasso**
Controller: **Luigino Zanella**
FISO technical delegate: **Carla Balma**
Data processing: **Luciano Pilati**

[information and registration]

All information will be posted on gsportgare.wordpress.com website. You can also communicate with us writing to gsport.ori@gmail.com or calling the **+39-011-9047891**.

The entry fee for **Open Elite**, **Paralympic** and **Open A** classes is **10 euros**. For **Beginners** is **5 euros**. For the **non-competitive course** is **2 euros**.

For Italian competitors, the online registration is available directly on FISO website. The other competitors can use an [online form](#). You have to specify your **name**, **surname**, **country**, **club**, and **class**. The Italian competitors have also to specify the **number** of their **FISO card**.

The **registration deadline** is on Saturday **27th July 2013**. Provided that maps are yet available, **Beginners** and who participate in the **non-competitive course** may register **until the 2nd August** (or the competition day, directly at the meeting point). However, we

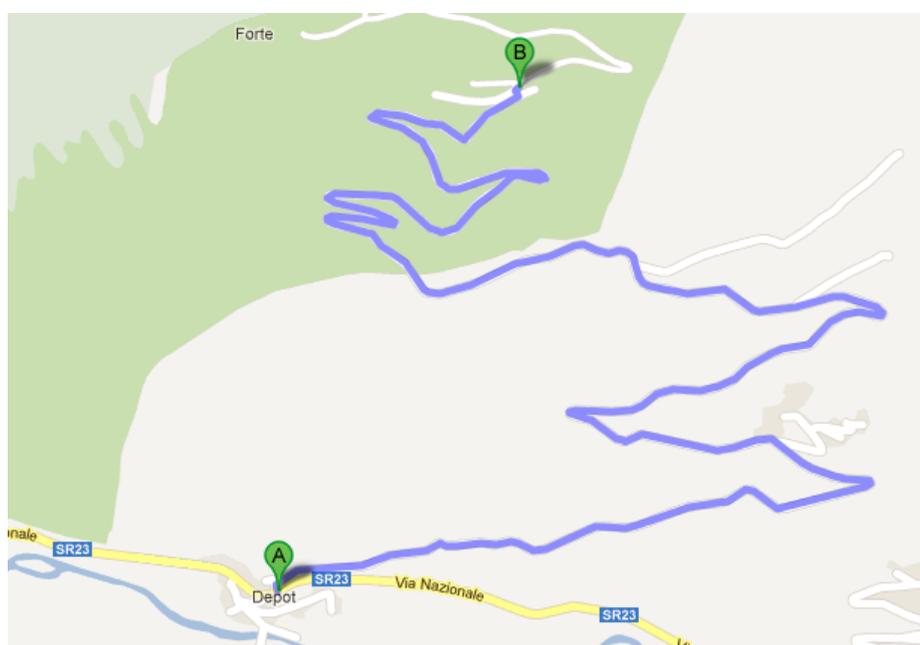

recommend everyone to respect the first deadline of **27th July**, so we can offer better organization and you are sure of participating.

[prizegiving]

The prizegiving ceremony will take place **near the meeting point**, when competition results will be available (probably **at about 17.00 h**). The top three positions of all competitive classes will be awarded.

[how to reach the meeting point]

By car: From Pinerolo, take the SP 23R road to Fenestrelle up to Depot (just before Fenestrelle). The same road can be taken, in the opposite direction, **from Sestriere**. At Depot turn right if you are coming from Pinerolo, left if you are coming from Sestriere, following the road signs for Pracatinat, and go on (about 6 km) to the destination. At the meeting point there are many parking facilities.

By public transport: From Turin and Sestriere you can reach Depot with the SADEM bus (Torino-Sestriere line). The way from Depot to the meeting point is not covered by public transport, but we can arrange, on request, an ad hoc transport.

[other information]

At the Pracatinat Center you can stay overnight, and have lunch and dinner. The fixed price for each meal is € 15.00. The products used are of biological origin.

All information about the structure can be found on the www.pracatinat.it website. To book, call at **+39-0121-884884**. **Booking is recommended.**
